

SPONSORSHIP PROPOSALS

Do you want to upgrade your participation with additional positioning during the campaign of the largest student forum in the country? Or do you not have the opportunity to participate, but you still want to establish your image among young people? Then pay attention to our sponsorship packages. They function as an image tool, separate from the participation with stands and do not cover the price of a stand.

NATIONAL CAREER DAYS

Live events

- Participation of a company representative during the official opening
- Company logo in all announcing printed materials
- Opportunity to organize a game with the participants in the event - sponsorship prizes

Virtual events

- Broadcasting a short 10-second video presentation for the visitors
- Placing a sponsorship banner, visible during the event
- Publishing broadcast messages (3 messages per six-hour event)

Additional advertising

- Publication of the company logo in the sponsorship section of the site
- Company logo in all advertising printed materials (if applicable)
- Announcement as a sponsor in all press releases
- Announcement as a sponsor in a JobTiger newsletter
- Article (or video / advertising material) on jobtiger.tv
- Facebook posts on the page and the Facebook event
- Mention as a sponsor in an informative mailing to the participants and to the companies
